- Freedom for your own ideas and thinking outside the box
- a nice team
- modern working atmosphere

### **Our company profile**

actrevo GmbH is a Hamburg-based pharmaceutical company that carries out sales activities for its own products (B2C) as well as services for other business partners (B2B). Our particular focus is on supporting non-EU partners in entering the EU market and fulfilling regulatory requirements (e.g. GMP certification or support in the area of regulatory affairs). In addition to our location in Hamburg city center, we have been operating our own pharmaceutical laboratory since the beginning of 2017, where your new working environment is located.

We offer you an open corporate culture, flat hierarchies and a dynamic working environment in an international network. The highest professional standards guarantee you a future-oriented working environment. We want to retain you in the long term and promote your personal development in our company.

Does this all sound interesting and exciting? Would you like to find out more about your new tasks and us? Then we would definitely like to get to know you. Please send your detailed application, including your salary expectations and possible starting date, to: [careers@actrevo.com](mailto:careers@actrevo.com)
